Supply agreement - Nordwind Rail Systems AB

Nordwind Rail Systems AB of Gothenburg, Sweden, purchases bogie and brake-system components from Alpine Precision Components AG under this agreement dated 15 June 2021. The agreement runs until 30 June 2027 and renews automatically for two-year periods.

Payment terms are 60 days from invoice.

Clause 12. Change of control

The Supplier shall inform Nordwind in writing within 30 days after any change of control of the Supplier. A change of control does not by itself give either party a right to terminate.
