Legal due diligence - summary report

Prepared by Kaltbrunner Rechtsanwaelte for the bidders, version of 3 November 2025.

Litigation

Ostara Pumps has filed a warranty claim of CHF 1.2 million concerning valve bodies delivered in 2024. The Company disputes the claim and has made no provision.

Intellectual property

The Company owns 14 registered patents and patent applications, mainly for clamping fixtures.

Material contracts

We reviewed the change-of-control provisions of the Nordwind and Valtrona agreements. The Brenntal agreement was provided late and has not yet been reviewed.

Real estate

The Thun site is leased. The Brno plant and its land are owned by the Czech subsidiary.
