Term loan agreement of 30 September 2019

Seeland Regionalbank AG granted Alpine Precision Components AG a term loan of CHF 50.0 million, amortising by CHF 3.0 million a year, for the refinancing of the Brno plant.

Clause 21. Financial covenant

The ratio of net debt to EBITDA must not exceed 3.00x on any annual test date. On 31 December 2025 the ratio was 0.95x.

The loan becomes repayable on a change of control of the borrower.
